

Technische Hochschule Nürnberg - International Business Programs (IB)

(This list just gives approximate values and is intended to serve as a first tool for applicants to evaluate their grades in relation to the German grading system. It is not legally binding and subject to change.)

For calculating the German equivalents the so called "modified Bavarian formula" was used:

$$\frac{N_{\max} - N_{\text{achieved}}}{N_{\max} - N_{\min}} \times 3 + 1 = \text{German grade}$$

Example: Greece

$N_{\max} = 10$   $N_{\min} = 5$  (failed would be with grade 4)

$N_{\text{achieved}} = 8$

$$\frac{10 - 8}{10 - 5} \times 3 + 1 = \underline{2.2}$$

$N_{\max}$  = highest possible grade

$N_{\text{achieved}}$  = your grade

$N_{\min}$  = lowest passing grade
