Assessment: ☐ **Bachelor Thesis**   ☐ **Master Thesis**

Family Name, Name: [_____] Matriculation-Nr.: [_____]

Faculty: [_____] Degree Program: [_____]

Degree program semester: [____] Specialization/focus: [_____]

submitted a thesis with the title:

[_____]

on [_____] (day/month/year). The title of the thesis must be correct on this form. Please read the title closely and confirm that it is correct.

The thesis was evaluated by

[_____] and given the mark .... *).

Name of the first examiner (in block letters)

The thesis was evaluated by

[_____] and given the mark .... *).

Name of the second examiner (in block letters)

If the first and second examiners award the thesis different marks, they should reach a consensus on a single mark. If a consensus is not possible, then an arithmetic mean of the two marks from the examiners will be calculated and rounded to one decimal place, according to § 23 Para. 3 RaPO and § 11 Para. 2 APO.

The examiners have reached a consensus mark of .... after awarding differing initial marks.

Arithmetic mean of the marks (in the case that no consensus is reached): ....

....
Date, Signature of the first examiner

....
Date, Signature of the second examiner

If the completion of a seminar in conjunction with the thesis is required according to the Study and Examination Regulations (SPO), please complete the following section:
