3.1. MIFE-Bridging Courses (Pre-master)

Bridging courses are for students of the Master program in International Finance and Economics whose prior degree is based on less than 210 ECTS or whose previous academic studies have been assessed as not being sufficient by the Admission Committee.

The Admission Committee will prepare a list of suitable courses from the Bachelor program in International Business. Based on this list, each pre-master student will receive via email an individual proposal of courses to be taken.

If no reply to this email is sent back to the university within 14 days, the pre-master student agrees to the proposal made. Otherwise, an individual meeting will be set up and options will be discussed.

Once the pre-master courses have been determined, these courses have to be attended during the first semester and exams have to be taken at the end of the semester. Only in two courses, exams can be repeated once. All other courses have to be successfully passed at first attempt. The failed exams have to be repeated within 6 months after the first unsuccessful attempt.

For questions concerning the course selection, please turn to the program assistant, Mrs Nicole Hauf. (contact data on page 2.)

As a community, we try to improve the study conditions in a sustainable way and – next to our engagement in different committees – to make a contribution to a harmonic and successful university community through a variety of projects and events.

Join us and become a part of our community!

We are constantly looking for motivated students who would be interested in representing the student body of our faculty. There are several areas in which you can get involved, depending on your interests.

If you want to find out more about us and our various tasks, you can send us an email or join our bi-weekly meetings taking place each Wednesday at 7 pm in the Rondell BL.008 (ground floor).
