## The student council informs:

### Who are we?

We are students of the Bachelor and Master study programs at the Faculty of Business Administration. As student representatives, we influence decisions at the university to support the well-being of our fellow students in every-day-life.

As a community, we try to improve the study conditions in a sustainable way and – next to our engagement in different committees – to make a contribution to a harmonic and successful university community through a variety of projects and events.

### Your representatives based on the university elections 2021:

- Tamara Aepfelbach
- Manuel Frohnhöfer
- Alina Le
- Vanessa Stöckel
- Noah Campana
- Tamara Obwandner
- Antonia Letzel

### Join us and become a part of our community!

We are constantly looking for motivated students who would be interested in representing the student body of our faculty. There are several areas in which you can get involved, depending on your interests.

If you want to find out more about us and our various tasks, you can send us an email or join our bi-weekly meetings taking place each Wednesday at 7 pm in the Rondell BL.008 (ground floor).

We are excited to meet you!

**Did you know that being a TH Nürnberg student you are eligible to participate in sports courses offered by the “Department für Sportwissenschaft & Sport” in Nuremberg and Erlangen?**

The university sports program provides students and employees from all institutions of higher education, technical colleges and academies in Nürnberg with a wide range of sport-related activities including:

- Sports classes for beginners up to advanced levels
- Individual sports and team sports
- Inter-university championships

**Fees for sport classes vary but are typically very low.**

**How to enrol in sports courses?**

If you want to get serious about physical exercising, you need to register online via the web. The registration form, along with a complete list and detailed descriptions of all classes offered, are at:

 <https://www.hochschulsport.fau.de/>

You need to register quickly, otherwise courses might be filled.
