

Instructions for viewing your transcript - My achievements

Link to StudyOhm: <https://studium.ohmportal.de>

Log in with your usual login.

Marks/Grades quicklink

You will find your grades by clicking the “Marks/Grades” quicklink.

In this section, you can check your grades, see your progress in your programme, and download transcripts.

My achievements

You will see three sections:

1. Achievement data - academic performance information
2. Study history - progress in your programme
3. Reports – Transcript of Records

- Transcript Of Records (only passed courses) [PDF]

1. Achievement information - academic performance information

In this section, you will see the coursework in your degree programme that you have accomplished to date. The components required for your degree are shown in a tree structure and you can expand and close the various modules.

Status

PV = Module/course open

BE = Passed

NB = Failed

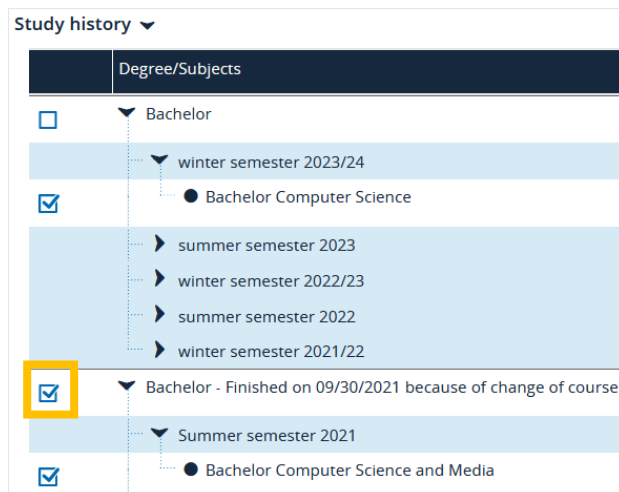

EN = Failed, final attempt

Input is running = Grades not finalised

The icons indicate whether it is an account, a module, an exam, or a paper/other coursework (other assessment). You can see the status in the last column.

2. Study history - progress in your studies

You want to see coursework from a previously pursued degree programme? Then open the Study History and check the box next to that degree programme.

Note: Some old degree programmes were not transferred to the new system. If you do not see any coursework, please contact the Student Office.

3. Reports

Various documents can be downloaded as PDF files in German or English.
