

INTERNATIONAL SUMMER SCHOOL

Experience Croatia with
Innovative Summer Programs

29 June – 24 July 2026
Zagreb & Šibenik, Croatia

Join our Summer Micro-Credential Programs and Earn 6 ECTS:

- **Artificial Intelligence**
- **Cyber Security**
- **Creativity and Storytelling in Marketing**
- **Data-Driven Storytelling**
- **Game Design**
- **Mobile Application Development**

Join the free Croatian Language and Culture program and earn extra 4 ECTS while learning more about Croatia.

A perfect mix of learning, going to the beach, and making new friends.

ÉLOÏSE, FRANCE

Having international experience and doing this program was not only about learning new techniques but also meeting new people and adapting to environments you are not normally used to.

ELEONOR, SPAIN

Living in Croatia was unforgettable. The vibrant culture, beautiful cities, and warm people made the experience enriching and crucial for my career development.

MOE, USA

Program Highlights:

- Learn** from top experts
- Earn** a micro-credential certificate and boost your career
- Connect** with international students
- Network** with top companies and industry speakers
- Enjoy** the stunning Adriatic coast during summertime
